Giant Rampage!

There is extreme damage in Roaflyn after giants rioted. “It will take a long time to rebuild the city to its former glory,” said Geog Hiim a citizen of Roaflyn who’s home was burnt down in the fires after the giants went through. At least 50 beings were hurt, but fortunately none were killed. The authorities are trying to find out the cause of the riot but the giants are being very stubborn and are not releasing any information. Most of the giants are now in custody of the police but some are still on the loose. “It’s funny how twenty foot giants can hide so well. You’d think it would be a piece of cake to find them but it’s not.” Says Chief of police, Kara Santel.

Unicorn Filly Born!

Roselinda was born to Midnight and Honey on the third Yerlight of Writma. They live in Soliar Woods, Azura. Honey and Midnight, her parents, say, “*We dearly love our daughter.*”. Roeslinda’s bonding ceremony is to be with an eagle, named Berai. It is to be on 25th of Numji. It will be a moderately private service. *Fairy F.N.*

Note: It is extremely rare for a unicorn to be born because unicorns live to be much older than many other beings (300 years or so) so we are vary pleased to have one being born in our lifetime.
